- Youth Ministry Events
- Other Parish Activities/Involvement

Purpose: The purpose of in-parish activities are for students to be more involved in the life of the parish of which you are saying you would like to be more a part. We would like you to do something with the parish in a more intentional way. Serve at mass, participate in a group like the youth group, help out with a parish cleaning, or attend an in-parish service activity.

Students must participate in at least TWO in-parish activities, preferably the same activity.

**Volunteering at VBS counts as ONE activity. A second activity would still be required.*
