3. If you choose to do service outside of one of the options provided, you must have this service approved through Mrs. Marinaro.
4. There is no minimum number of hours, but you must participate in at least two separate activities; ideally this would give you about 5 total hours.

 - c. How does this experience relate to your preparation for Confirmation?
 - d. In what ways did this experience challenge your faith? How did this experience challenge your understanding of society and justice?
 - e. Give one concrete example from your service experience which indicates to you why Christians would serve others.
